Hi Shunning,

The files you sent in the template have been uploaded correctly.

Upon checking KX0299 Day 2 I do not see a RARE file in IDA uploaded on 2/5. Can you please upload the RARE file for this animal record and let me know when you do so that I can verify its in there?

Thanks,
Karisma

Hi Ryan,

Please see attached UTH's MRI templates. I have asked SHuning to reupload her Day 2 RARE file for KX0299 as I was unable to find it in IDA.

Thanks,
Karisma
