Hi Drs. Ayata and Cabeen,

UTH sent in their TTC data today. I have re-attached the google drive link where I am keeping incoming TTC data from the sites. It includes data contributed during the Pilot phase before the start of Stage 1.

Ryan,
Looks like we have the validation scans+TTCs from all sites. Looking forward to our chat tomorrow.

Hi Dr. Ayata,

I want to clarify we are still waiting on U Iowa (should be complete this week or next) and Johns Hopkins.

Thanks,

Karisma
