The MRI Data Structure Template for Iowa scans for Mar 2 and Mar 4 are attached (total of 4 Day 29/30 scans). An important note is that the $b = 0$ scan for VH2011 is incorrect. The uploaded series labeled $b = 0$ was erroneously a repeat of $b = 500$, and this was not discovered until after the upload. I can reupload without that series if desired or the $b = 0$ can be deleted at your end.
