In trying to delete AM4840 the database does not show me a 1/8/21 scan date (see attached image). I will have to delete all data for AM4840 on the 1/7/21 date and you wi
for AM4840. Please email me to confirm and I will complete this on Monday.

Hi Shuning,

Just to make sure you want me to delete AM4840 with the date 1/8/21, correct? You do not want me to delete AM4858, AM4850
KX0375?

Thanks,
Karisma

Hi Karisma,

Here are the subject IDs:
AM4840
AM4858
AM4850
KX0375

There are scanned on 1/7/2021. I am not sure the Visit ID put in. I think I messed up the Visit ID. I uploaded data with subject ID AM4840 twice. One is uploaded on 1/7/2021 and the ot
one on 1/8/2021 is the wrong one. Please let me know if you need anything further. Thanks.

Best,
Shuning

Hi Karisma,

Happy New Year!

I made some mistakes on the MRI data uploaded today. Can you delete all the MRI data I uploaded on 1/8/2021? Thanks a lot.
